Date
1777-1784
Dimensions

- Height: 6.00 in (15.24 cm)

Maker
Baddeley-Littler

Description:

This coffee cup belongs to a small group of porcelain made in Staffordshire about 1777-84, to which Geoffrey Godden has given the name Baddeley-Littler. It is believed that these wares were made by William Littler after he returned to Staffordshire from West Pans, when he may have been employed by a member of the Baddeley family to make porcelain.Blue printed examples of this group
