1773-76
Dimensions

- Width: 4.50 in (11.43 cm)

Maker
Bristol Richard Champion

Description:

This Bristol hard-paste porcelain pickle leaf is printed with floral sprays and has a moulded back. Traditionally, hard-paste porcelain was given an initial low temperature firing that hardened it enough for it to be handled and given underglaze painted decoration. It was then glazed and the body and glaze matured together at high temperature. Hard-paste porcelain produced like this is difficult to decorate with underglaze blue
