Source Description:

A number of portraits of King William IV were produced to celebrate his ascension to the throne. This portrait is very similar to that on the mug and could have served as a source. King William IV is depicted wearing Ceremonial robes, including a high-collared tunic, over which is the *expand* [+]

Description:

Earthenware mug printed in purple with portraits of King William and Queen Adelaide. Made to celebrate their coronation on 8th September, 1821. The initial mark C & R for the maker Chetham & Robinson is printed in purple on the base. The mug has a band of gadrooning at the rim and the foot and an angular handle. The print of the King on
